TEMPLESPA

Indulge in a range of special treatments and allow TEMPLESPA products to enhance even more your experience.

The products are carefully formulated by fusing together the science of nature with the wisdom of tradition. The skin care range is perfect for both men and women who are seeking products that are full of natural ingredients, but which still get results. All products are designed to treat your skin, plus give you a luxury spa beauty experience.

In addition to your experience in the SPA, all products are available for purchase. Please, speak with our therapist after your treatment to receive all the information you need. Alternatively, please email HealthClub@dukeshotel.com
